

DCIM Report

The District is part of an area, one of 93 areas that make up the U.S./Canada General Service Conference.

My job as District Committee Member (DCM) is to keep in touch, be a resource for your group and learn about your concerns and communicate with the Area Delegate. What I learn from you will become the district conscience at area assemblies and meetings. I also vote for the area's trusted servants, including the delegate position and area's activities and budgets.

By having a GSR that attends the District meetings, your voice is heard so that I can reflect what your group finds important on Area and GSO business items.

Your GSR is the voice of your group, my role is the voice of the District. I prepare the agenda for our meetings and our activities. District GSRs are encouraged to attend district meetings and area assemblies. The groups are encouraged to support GSRs to attend these functions.

How you can help:

Continue financial support to District, Area, and GSO. Covid caused a significant drop in contributions. Contributions from the groups to the District were above 2020 amounts in 2021, but not at the level of 2019.

Consider filling one of the open committee positions. Doing service work is an amazing way to grow, your sobriety is enhanced, and you gain leadership skills by filling the role and can then sponsor others into these important positions and watch not only their growth in sobriety, but in leadership.

Attended Area 35 Meeting

Feb 27, 2022

New officers and committee chairs began their 2-year rotation.

Dist. 11 DCM is assigned to the Archives Committee.

Met with Renell, Marc Noerenberg – Archivist for Area 35

Steve Ingel – Archives Chair Dist. 12

Marc has been researching a location to store Area archives and has located a site in Aitken. The cost will be approximately \$6,000/yr. The Archivist budget proposal for 2022 will include costs associated with rent and moving the archives from Fargo ND.

The members of the committee discussed initial planning to move the archives and begin the sorting process. Marc mentioned wanting to scan documents and store them electronically. A plan will include what group and area items should be archived, and once that is clear, requesting the items from the groups.

Proposed area budget will be discussed and approved at Spring Assembly
April 2-3, 2022

Grand Lodge -- Ely

See one of us if you have an interest in attending.

GSO agenda items will be discussed and voted at Spring Assembly in April
